1. Overview

Mycelium AI ("we", "us", "our") respects your privacy. This policy explains what data we collect through our Garmin watch face products and website, how we use it, and your rights.

This policy covers the SurfDesign Garmin watch face (distributed via the Garmin Connect IQ Store) and related pages on myceliumai.com.au.

2. SurfDesign Watch Face - Data Accessed

SurfDesign is a free Garmin watch face that displays real-time marine and weather data. The only data accessed from your device is:

- GPS coordinates (latitude and longitude) from your Garmin watch

3. Data Sent to External Services

Your GPS coordinates are sent to the following free, public APIs to retrieve local conditions:

- Open-Meteo Marine API (open-meteo.com) - wave height, swell period, swell direction, water temperature
- Open-Meteo Forecast API (open-meteo.com) - air temperature, wind speed, wind direction, UV index, sunrise, sunset

If you optionally provide your own WorldTides API key in the watch face settings:

- WorldTides API (worldtides.info) - tide height data

These API calls include only your latitude and longitude. No account, name, email, or device identifier is sent.

4. Data Stored on Device

- Cached weather and marine data is stored locally on your Garmin watch using Garmin Application.Storage
- This data stays on your device and is automatically overwritten with each data refresh (every 30 minutes)
- No data is stored on any external server by Mycelium AI

5. Analytics and Tracking

SurfDesign does not include any analytics, tracking, advertising, or telemetry of any kind.

6. Website - Contact Forms

When you submit a contact form on myceliumai.com.au (e.g., to request a product download link), we collect the information you provide (name, email, phone number, message). This information is used solely to:

- Respond to your enquiry
- Send you the requested product information or download link

- Notify you about new products if you have opted in

We do not sell, rent, or share your personal information with third parties for marketing purposes.

You can request deletion of your data at any time by emailing aaron@myceliumai.com.au.

7. Third-Party Services

We may use third-party services for email delivery, web analytics, and hosting. These services have their own privacy policies. We select providers with reasonable privacy practices and do not share your personal data beyond what is necessary for service delivery.

8. Data Retention

- Contact form submissions are retained until you request deletion
- Watch face cached data is stored only on your device and is deleted when the app is uninstalled
- Mycelium AI does not maintain external databases of watch face user data

9. Children's Privacy

We do not knowingly collect personal information from children under 16. If you believe a child has provided us with personal information, please contact us and we will delete it.

10. Your Rights

Under the Australian Privacy Act 1988 and applicable law, you have the right to:

- Access the personal information we hold about you
- Request correction of inaccurate information
- Request deletion of your data
- Withdraw consent for marketing communications

To exercise any of these rights, email aaron@myceliumai.com.au.

11. Changes to This Policy

We may update this policy from time to time. The "Last Updated" date at the top will reflect the most recent revision. Continued use of our products after changes constitutes acceptance of the updated policy.
